The Value of Gifts

4

- Gifts are essential to the growth of any collection
- Help shape/define the collections
- Provide additional (or the only) resources
- Can bring draw attention to an organization
- But...

Peter D. Verheyen, 15 April 2009

The Costs of Gifts

5

- **Nothing is ever free**
 - Costs of bringing a collection in
 - Costs of housing a collection
 - Costs of making a collection available to the public
 - ✦ Processing costs...
 - Costs of preserving a collection
 - ✦ Infrastructure such as heating and A/C
 - ✦ Boxes and other enclosure
 - ✦ Conservation...

The Perfect World

6

Gifts that are received are in good condition, have been well cared for over their life, are properly housed, and come with an endowment to help pay for their long-term care.

**Is this possible?
What if they're not?**

Some of the Problems of Collections

7

- **Collections received in a disorganized state**
 - Piled into boxes = Extensive processing required to make available
 - Will require purchase of folders
 - Will require purchase of boxes
 - Other enclosures for special materials...

Peter D. Verheyen, 15 April 2009

Some of the Problems of Collections

8

- **Brittle paper**
 - Can it be safely handled
 - Reformatting or making use copies
 - If unique and valuable
 - ✦ Conservation treatment?

Which has the greater value, the content or the medium?

Peter D. Verheyen, 15 April 2009

Some of the Problems of Collections

9

- **Deteriorated bindings**
 - Options more limited
 - “Repair” or conservation treatment
 - ✧ Consolidation, especially in case of leather... (red rot)

Conservators and even qualified book repairers limited in CNY region, costs can be quite high so informed selection for treatment critical.

Peter D. Verheyen, 15 April 2009

Some of the Problems of Collections

10

- **Scrapbooks**
 - Enough said.
 - ✧ Rich primary sources of information
 - ✧ Contain myriad of other formats
 - ✧ Usually made of poor quality materials
 - ✧ Structure over-taxed by used and over-filling

Options can include boxing, disbinding and foldering, conservation treatment, or reformatting

Conditions in Your Institution

11

- **Do you have the infrastructure to properly house collections?**
 - If not, are fixes manageable?
 - ✦ Room-sized a/c unit
 - ✦ Dehumidifier
 - ✦ Pest management
- **Do you have the staffing and tools to properly accession/process materials?**
- **Do you have a budget for supplies...?**

Peter D. Verheyen, 15 April 2009

If Not...

12

- **Consider options**
 - Not accepting gift (not always attractive, especially if bigger prospect)
 - Raise funds to complete improvements (not easy in today's economy...)
 - Ask for additional funds to help support acquisition and housing of collections from the donor...
 - Accept as is, but...

Peter D. Verheyen, 15 April 2009

What are Major Costs?

13

- **Enclosures**
 - Folders, Boxes, Sleeves, ...
- **Repair & Conservation**
- **Environmental Controls**
- **Staff (easily overlooked)**
